

A dynamic, high-speed photograph of a powder explosion. The powder is composed of fine particles in a wide array of colors, including bright yellow, orange, red, magenta, blue, and green. These colors are concentrated in the lower half of the frame, where they appear to be erupting from the bottom, creating a sense of intense energy and movement. The upper half of the image is dominated by a deep, velvety black background, which makes the colorful powder stand out dramatically. The overall effect is one of raw power and vibrant energy. Overlaid on this background is the text 'TRUE POWER. INTEGRAL TONER.' in a clean, white, sans-serif font. The text is positioned horizontally across the middle of the image, with 'TRUE POWER.' on the left and 'INTEGRAL TONER.' on the right, separated by a period. The white color of the text provides a sharp contrast against the dark background, ensuring it is easily legible.

TRUE POWER. INTEGRAL TONER.
